Gentlemen:

Will you kindly let me know what silver and minor coins were struck at New Orleans five years previous to when the Mint was closed in the early part of January 1912, and also what silver and minor coins were struck at Denver and San Francisco for the last ten years.

I would further ask if there is any way that I could be advised about the silver and minor coins that are being struck at the different Mints.

Yours truly,

GEO. E. CHATILLON

December 11th, 1913.

Mr. George E. Chatillon,  
85 to 93 Cliff Street,  
New York.

Dear Sir:-

Your letter of December 10th received. As far as I know the following silver and minor coins were struck at San Francisco, New Orleans and Denver since 1900:-

Dollars.	San Francisco	1900 to 1904.
	New Orleans	1900 to 1904.
Half Dollars.	San Francisco	1900 to 1912.
	New Orleans	1900 to 1909.
	Denver	1906 to 1908, 1911 to 1913.
Quarters.	San Francisco	1900 to 1903, 1905, 1907 to 1912.
	New Orleans	1900 to 1909.
	Denver	1906 to 1911.
Dimes	San Francisco	1900 to 1913.
	New Orleans	1900 to 1903, 1905 to 1909.
	Denver	1907 to 1913.
5 Cents	San Francisco	1912, 1913.
	Denver	1912, 1913.
1 Cents	San Francisco	1908 to 1913.
		1911 to 1913.

I do not know whether halves and quarters were struck in San Francisco this year or not, halves were struck in Denver, but I am not sure about quarters.

Mr. Ben G. Green, 1535 Masonic Temple, Chicago, publishes a most useful check list of the coinage of all the U. S. Mints, giving the number of coins of each denomination that were struck each year since 1793.
